To

The Secretary to the Commissioner of Excise,
Madras.

Sir,

Abkari - Excise Revenue - Default in payment - Issue of processes before the 20th - Instructions solicited.

******

According to Commissioner's Proceedings R.No.1326 Abk.28, dated 14th June 1928 coercive process should be resorted to ---- sparingly in cases of default of payment of abkari dues before the 20th of the month in which the default takes place. ------- Commissioner's Proceedings R.No.2342 Abk.28, dated 11.10.1928 -- extended such discretionary powers to Tahsildars.

2. Enquiry into the causes of arrears under Excise Revenue in this district at the end of July 1932 has disclosed that ---- resales under S.O.18 of the Excise Manual are mostly ineffective in reducing them. They have to be postponed month after month with no corresponding advantage. On the other hand, resort to coercive process before the 20th of the month effectively helps the reduction of arrears. For these reasons I recommend that the restriction referred to in paragraph 1 above be removed.

For Collector.
